Soulaiman Oulad Ben Tayeb
UX/UI Designer

Quadrilingual Multimedia Bachelor graduate with expertise in the Adobe suite, combined with strong project management and communication skills.

Work experience

Freelance Graphic Designer
May 2025 DeBroej - BBA Belgium - Brussels
Creation of visual materials (poster, logo, social media posts, signs, menus) and videos for a boxing event: graphic design, video editing, event communication.

Freelance Web Developer
Since January 2025 JDN Schaarbeek Belgium - Brussels
Designing and developing a responsive website for a futsal club. Implementing features such as event scheduling, team management, and user interaction using HTML, CSS, JavaScript, and Node.js.

Freelance Content Creator
Since September 2024 JDN Schaarbeek Belgium - Brussels
Designed posters and promotional videos for the club's social media platforms using Adobe Creative Suite. Enhanced the club's online presence by creating engaging visual content tailored to the target audience.

Visual Content Designer Intern
From January 2024 to April 2024 Easyfairs Belgium - Brussels
Interned at Easyfairs with a focus on creating videos, graphic design, managing the database, and updating web pages and newsletters using HTML and CSS.

Education

Bachelor in Multimédia & Creative Technologies
From 2019 to 2024 Erasmus Hogeschool Brussel Belgium - Brussels
Improvement of skills in all areas of multimedia, including web development (Kotlin, Node.js, React), Adobe XD, Figma, advanced animated graphics, as well as the fundamentals of design, the Adobe Creative Suite, and the basics of web development (HTML, CSS, JavaScript). Also developed strong presentation and communication skills.

Secondary Education in Multimedia & Communication
From 2016 to 2019 Don Bosco Belgium - Halle
Learning the fundamentals of digital design, the Adobe Creative Suite, and web development (basic HTML, CSS, and JavaScript).
